Track your trail hours (no arena time). Prior to the end of November return the form to Cherry Valley Riders, PO Box 87, Duvall, WA 98019 or email Judy Manson (<a href="mailto:imanson22@comcast.net">imanson22@comcast.net</a>). Double hours for any CVR club ride.

The hours are totaled for the awards given at the Holiday Party. The forms are then mailed out to the counties ridden in to let the counties know what trails are being used, their condition, and to aid in keeping those trails open and available for the equestrian community.
